ANNUAL BULL SALE

Wow! It's almost the middle of February and I haven't had to wear overshoes this winter. No moisture! Our bull buyers and friends in Montana had no rain and no grass and high temperatures and ultimately a lot of open cows. Now they are buying \$300 per ton hay. Let's all pray that this weather pattern changes. Calf prices this fall are expected to be good, but if you don't have the calves to sell, that's not good.

I remember 25 years ago, and the bulls we were using for AI had to be high marbling bulls. When CAB started only 9% of the black hided cattle made CAB, and only 4 out of 20 of the most popular bulls were high marbling. 25 years later, almost all of the 20 bulls are good marbling bulls and 38% of our black hided cattle are CAB and Prime. Ultrasound measurements, actual carcass data and DNA changed our cattle.

The next change I see coming in the cattle business will be feed intake and feed efficiency. If your steers eat less and still perform, you make more money. The big money will be if your 10 year old cows save you \$50/year in feed costs. DNA data and actual feed intake measurements will change our cattle.

I'd like to thank Martin and Jana for their help in putting on this sale. The bulls are very athletic and very docile. The cows are sound and will be a good addition to any herd. All cattle are 100% guaranteed. -Mason and Diane-

If, during the first breeding season, one of our bulls cannot fulfill that purpose, we will replace him with a bull that can. Please feel free to contact Mason at anytime, however we would like to know as soon as possible about any problems that may arise.

HOW TO BUY FROM HOME

We are selling our bulls on Superior Livestock Auction this year. You can buy your bull from the comfort of your own home on **Dish Network Channel 997**. **It will NOT be on a DIRECTV Channel this year!** You need to pre-register for a buyers number before the sale at 1-800-431-4452.

The bulls and cows will be available for viewing in pens the morning of the sale but will not run through the sale ring. There will also be a video available of all bulls selling. Check out the Superior website or contact **Mason 515-360-1901** or **Martin 614-327-1821** for your own DVD.

HOW TO PARTICIPATE AS AN ABSENTEE BUYER

We have made preparations to bid and buy livestock through Superior Productions "Call or Click-To-Bid" service for those unable to attend in person on sale day. **Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com**

HERE'S HOW IT WORKS

Turn in Bids Over the Phone. This is our traditional method of buying livestock and is the suggested process for anyone who does not have consistent, high-speed internet. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number". Select the registration form for Superior Productions and print the registration form. Fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it, or scan and email the form to info@superiorauction.com. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is Superior's online bidding program for cattle buying. **Please note that high speed internet is required – this is not for dial-up or satellite internet.** Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved by the ranch you will receive an e-mail confirming which sale you are now registered for.

Viewing the Auction. The sale will be broadcast via satellite on Dish Network channel 997. *It will NOT BE ON DIRECTV this year.* **Please note that there is a short delay if you are watching the auction on television so be sure to call in a couple lots ahead of the lot you are interested in bidding on.** There are 2 places to view the sale broadcast live on the internet: www.superiorlivestock.com or www.superiorclicktobid.com. Just go to the home page of either website and select the auction. If you just want to watch the auction on your computer, smartphone or tablet go to www.superiorlivestock.com, but if you want to bid over the computer, you must go to www.superiorclicktobid.com. Remember you can call in to bid whether you watch on the TV or on the internet, but you must be a member of www.superiorclicktobid.com to "click-to-bid". Your computer must have Flash Media Player installed for this website to view the auction. If you have any questions, please call the Superior Productions office at 800-431-4452 or Superior at 1-800-422-2117.

Buyers will be contacted by the ranch after the sale for payment and delivery details. **If you have any questions or need assistance, please call Superior at (800) 422-2117.**
